

## 2017 GCA CENTRAL SPECIALTY TROPHY DONATIONS

For the first time, we will have 2 back to back Greyhound Specialties on September 8<sup>TH</sup> at beautiful Island Grove Park in Colorado. We have been working hard to make this a special day for all and have commissioned Sarah Snavelly to create the trophies for us. We are going about the trophy donations a little differently. We have created levels of donations and everyone who donates will be listed in our thank you in the catalog. The levels are:

- GOLD \$50
- SILVER \$40
- BRONZE \$25

:

We hope you will all consider donating to this event and thank you for your generosity in advance. Checks may be made out to Greyhound Club of America with Central Specialty Trophies in the note. Please mail to
