TESTS OFFERED:

JUNIOR COURSER TEST

Open to Sighthounds at least 12 months of age. A hound running alone shall receive a certification from a judge assigned to one test and a second certification from a different judge assigned to another test, stating that the hound completed a 600-yard course with a minimum of four turns. The hound must complete the course with enthusiasm and without interruption.

QUALIFIED COURSER TEST

A hound at least 12 months of age (Qualifying Hound) running with another hound of the same breed or another breed with a similar running style (Testing Hound) shall receive certification from a licensed judge. The hound must complete the course with enthusiasm and without interruption, sufficiently course the lure and not the Testing Hound. The judge will certify that the Qualifying Hound ran cleanly and did not appear to present a hazard to the Testing Hound at any point in the qualifying course. This certification is required to enter a hound in an Open Stake. The handler presenting the Qualifying Hound shall be responsible for providing the Testing Hound for the qualifying course. It is strongly recommended that every Qualifying Hound has been run previously alone and that to the handler's satisfaction runs cleanly and keenly. It is additionally recommended that every Qualifying Hound practices with other hounds prior to being presented for a qualifying courser test. It is to be understood by all that training prior to running a hound with other hounds in competition is essential to ensure that the hound is prepared to run safely with other hounds.

NOTE: As of Jan 2017, and ASFA certification form may be submitted with your entry in lieu of a QC.
