Lure Coursing Title Requirements

To earn the **Senior Courser (SC)** title, a dog must run at four (4) trials, with a least one other hound and get qualifying scores, under at least two different Judges or judging panels. A qualifying score is 50% of the total available points from the judges. At these same trials, if a dog also wins a placement, it can earn points towards the AKC Field Championship titles.

To earn the **Master Courser (MC)** title, a dog must complete the Senior Courser title and then earn an additional twenty-five (25) qualifying scores (with competition) in either Open, Veteran or Special stake.

To earn a **Field Champion (FC)** title, your dog must earn 15 points, including two (2) first placements worth three (3) points or more under two (2) different Judges or judging panels. Points are earned for first, second, or third place depending on the number of dogs for that breed competing. A dog that has earned its Field Championship can be entered in the Specials stake where it can compete for the Senior Courser, Master Courser or Lure Courser Excellent title.

To earn the **Lure Courser Excellent (LCX)** title, a dog must be a Field Champion and then earn an additional forty-five (45) points. The title of Lure Courser Excellent is a cumulative title, each time the dog accrues an additional 45 championship points it would be eligible to receive the title level. (LCX II, LCX III, LCX IV, etc)

NOTE: FSS breeds are eligible for suffix titles (JC, SC, MC) only.

Tests Offered

Junior Courser (JC): To earn the **Junior Courser (JC)** title, "A hound running alone shall receive a certification from a judge on one date and a second certification from a different judge on a later date stating the hound complete a 600 yard course with a minimum of four turns." The hound must complete the course with enthusiasm and without interruption.

Qualified Courser (Test): A hound at least 12 months of age (Qualifying Hound) running with another hound of the same breed - or another breed with a similar running style - (Testing Hound) shall receive certification from a licensed judge. The hound must complete the course with enthusiasm and without interruption, sufficiently course the lure and not course the Testing Hound. The judge will certify that the Qualifying Hound ran cleanly and did not appear to present a hazard to the Testing Hound at any point in the qualifying course. This certificate is required to enter a hound in an Open Stake. The handler presenting the Qualifying Hound shall be responsible for providing the Testing Hound for the qualifying course. It is strongly recommended that every Qualifying Hound have been run previously alone and that to the handler's satisfaction runs cleanly and keenly. It is additionally recommended that every Qualifying Hound practices with other hounds prior to being presented for a qualifying courser test. It is to be understood by all that training prior to running a hound with other hounds in competition is essential to ensure that the hound is prepared to run safely with other hounds.

Coursing Ability Test: To earn the **Coursing Ability (CAT)**, a dog running alone must pursue a lure, completing the course with enthusiasm and without interruption within a given time. Dogs that pass the CAT three times will earn a Coursing Ability (CA) title. Ten passes and a dog earns a Coursing Ability Advanced (CAA) title, and 25 passes results in a Coursing Ability Excellent (CAX) title.

This test is for any dog of any breed, including mixed-breeds, as long as it is at least 1 year old and individually registered or listed with AKC
